

# Salternative™

Sea Salt Microdermabrasion  
&  
OXYGEN INFUSION

## The New Foundation for Excellence in Skin Care

### FEATURING...

- **Sea Salt** exfoliation using Positive Pressure and no damaging suction
- Diamond Tips Polish & Refine with concentrated oxygen and serums after exfoliation
- Concentrated Oxygen Infusion pushes serums deep into the skin
- Safe for all skin types including thin, sensitive (Rosacea) or aging skin
- Salt makes the skin pH less acidic, reducing acne supporting environments
- **Sea Salt** is a natural anti-oxidant, effective for detoxing cells and keeping the skin clear of free radicals
- **Sea Salt** replaces exfoliants that may cause inflammatory or allergic reactions
